RAPTURE ISLAND EBOOKS 2019

Author: Emily Sinclair

Release Date: Expected @@expectedReleaseDate@@

After discovering a new island in the south pacific, Professor Nicole Hurst and her three grad students go on an expedition to explore the mysterious land mass in the hopes of discovering new life. After their first night descended into unrestrained sex they knew something was wrong, but it was not until two days later that they found the source of their newfound libidos. Living deep in the Zydur Wilds are the Fay – a race of fairies with a single purpose in life: to ensure that no species ever goes extinct. Thinking the expedition team is the whole of humanity, they have taken upon themselves to guarantee procreation.
